Rick,

Yes, all production piles are complete. We had Hurt & Proffitt (surveyor) on site yesterday till end of shift. We double checked our records for complete placement of all piles.

I personally want to thank you, Dominic and Stan for the effort put forth and completion of this phase of our job. Helping us through our UG utility conflicts has made it possible to keep our scheduled end date obtainable.

Sincerely,

Fred Athey

Gentlemen;

As of noon today June 15, 2007 Stanley will be done with all production piles that are contracted with Berkel & Co. We will begin de-mobing the jobsite on Monday June 18 2007. Please double check your records to ensure that all piles are installed and all as builts are completed. If you have any questions please call me at the office 410-439-9101.

Thanks
Rick Ringrose
