Re: 2021 WBC Craftsmanship Awards Winners

Dear Robert:

On behalf of the Washington Building Congress, it is our pleasure to inform you that **Milken Institute Center for Advancing the American Dream, Phase 2** (Entry Code **A-16**) has been selected as a Craftsmanship award winner in the **Sitework** category for **Underpinning, Foundations and Excavations**. WBC Craftsmanship Awards is the only regional program recognizing the outstanding skills and achievements of individual craftsmen in our commercial construction community.

WBC received 278 Craftsmanship Awards nominations throughout the ten entry categories. It is with great pride that we recognize the men and women who have shown their work to be truly outstanding this year. The skill of the craftsmen involved with your entry exemplifies the high standards upon which Craftsmanship Awards was founded in 1956.

The Craftsmanship Awards program will be presented in a virtual format again this year on August 26. Please mark your calendar now for the premiere. Following initial release, the virtual presentation will be available for viewing anytime on YouTube. Over 1,600 people have enjoyed the 2020 Awards video.

In preparation for the awards presentation, and so that we may appropriately recognize your winning craftsmen, please carefully review the following pages. Should you have any questions, please contact Rita Reis or Steve Kenton at the WBC, (202) 293-5922.

Again, congratulations for being selected as a WBC Craftsmanship Awards winner!

Best regards,

Joseph F. Dabbs
